Dear Editor:

We moved to St. Stephens Drive nine years ago and appreciate living in this beautiful community. However, in the time we have been here many of Orinda's roads have deteriorated badly. We are grateful that our road has been repaired, but we know that the current funds will not stretch far enough to fix all the roads that need it. Other Orinda residents are desperately waiting for their roads to be repaired as well. Our roads are the foundation of our city, and all of us who live here share the responsibility of keeping them in good shape. Measure L is necessary in order to continue the progress we have made repairing our roads. We know that Orinda cannot fix all the roads that need repair without additional funds. If we don't finish fixing the roads in Orinda now, the delays will lead to much bigger issues and more costly repairs in the future. Measure L continues the work to restore Orinda roads to a good safe condition. We all need to take responsibility for making sure the roads are repaired. I urge you to VOTE YES ON MEASURE L!

Sincerely,

Jay Solmonson & Le Tran-Thi
